

TITAN™

Sub-Ohm ATOMIZER

User Guide

Thank you for choosing the Smart Smoke TITAN™ Sub-Ohm Atomizer!
Please read entire user guide before using this product.

Product Introduction

The TITAN™ is built with the highest quality standards in mind. Constructed out of stainless steel and heat resistant glass, the TITAN™ offers a superior sub-ohm experience. Only natural cotton is used for the purest flavors and best saturation. Featuring adjustable airflow control settings to customize the draw to your liking.

Technical Specifications

Material: 304 Stainless Steel

Coil Design: Dual Design

Capacity: 3.5mL

Ohms Rating: 0.05 ohms

Thread Pattern: 510 Thread

Recommended Power Range: 20-30W

Contents

- 1 - TITAN™ Atomizer (reservoir)
- 1 - TITAN™ Mouthpiece (removable)
- 1 - TITAN™ Atomizer Base
- 2 - TITAN™ SmartCoils™ (0.5ohms)

How to fill your TITAN™

Simply detach the base of the TITAN™ atomizer while holding upside down. Refill reservoir with SmartNic™ e-liquid. Do not allow any liquid to enter the center tube. Only fill approximately 75% of the reservoir to avoid leakage. Re-attach base of the atomizer securely. Allow liquid to saturate into the SmartCoil™ for a minimum of 5 minutes before activating the atomizer. Failure to do so may result in damage to the SmartCoil™.

How to Replace the SmartCoil™

Simply detach the base of the TITAN™ atomizer while holding upside down. Detach the SmartCoil™ from the base by twisting counter-clockwise. Dispose of used SmartCoil™ and replace with new TITAN™ SmartCoil™. Allow liquid to saturate into the SmartCoil™ for a minimum of 5 minutes before activating the atomizer. Failure to do so may result in damage to the SmartCoil™.

Adjust Airflow Settings

Simply rotate the regulation ring on the atomizer base to adjust airflow as necessary.

Warnings

Never attempt to repair the TITAN™ yourself. Damage or personal injury could occur.
Do not leave TITAN™ in extreme heat or cold (32 °F Min - 113 °F Max)
Do not leave the TITAN™ in damp or wet conditions as damage may occur.
The use of non-Smart Smoke products with the TITAN™ may result in damage.
